

We're building a new office and display center and we need your help.

It's the new 26 x 48 display building to feature the farming, transportation and other segments of the valley's early history including a re-creation of the Port Pemberton blacksmith shop. The upper floor will be for storage and processing of the records of organizations in the area.

You can buy a piece of the new building because **“Every little bit counts.”**

Our new building has two stories and a roof. The windows are here and the sprinkler system is being installed. But the interior needs insulating and wallboard. The exterior needs siding.

BUY ONE OR BUY MORE! EVERY BIT HELPS.

Here's how you can participate:

I would like to help by buying:

4 x 8 wallboard-80 sheets needed	___ x \$12 each	_____
4 x 10 wallboard -60 sheets needed	___ x \$15 each	_____
Bundle of R20 insulation-50 bundles	___x \$30 each	_____
Bundle of R40 insulation-30 Bundles	___ x \$60 each	_____
1 x 10 x 10' siding board-140 needed	___ x \$10 each	_____
1 x 3 x 10' batten board-140 needed	___ x\$ 4 each	_____
Snow stops -50 needed	___ x \$35 each	_____
Total amount of participation		_____

A receipt with tax number will be issued for all contributions.

Please send cheque to: The Pemberton Museum, Box 67, Pemberton BC VON 2LO

All participants will have their names on the **“Donor Board”** which will be prominently displayed in the new building.
